9 am to 12 noon Saturday**

Food is permitted in the Café, but all food must be consumed before leaving the Café. Wrappers and waste paper must be disposed of properly. Since the library has very limited custodial service, Café users are asked to help keep the Café clean and orderly.

The library's Behavior Policy applies to the Café as well as all other spaces within the library.

The Marshalltown Public Library does not own Café vending machines and cannot be responsible for malfunctions.

Qualifying community groups may reserve the Café for meetings during library hours when the Café is not open to the public. Consult the library's Meeting Room Policy for details.
